

**Pedro Vasconcelos**

**Born on the Island of Madeira on the 10th of March of 1977. The Ocean is a big part of my life and I just love nature and being like a fish underwater. My main goal with photography and film underwater is to show to the non divers the beauty of the amazing underwater World. I'm a diving instructor in Madeira Island and underwater photographer and filmmaker.**

**Already been in underwater competitions in the past, like world championship in Turkey. Now I'm responsible for organising underwater competitions of photography and video, like the world championship in Porto Santo Island in 2021 and European Championship in Madeira island in 2022.**

**I'm part of the Visual Commission of CMAS.**
